

CALL FOR PAPERS

SUMMER MEETING OF ECONOMISTS IN VILNIUS

Vilnius, June 25, 2013

ISM University of Management and Economics

Bank of Lithuania

Network of Lithuanian Researchers in Economics and Management has initiated the **Summer Meeting of Economists in Vilnius** as a way to stimulate economic research in Lithuania and integrate Lithuanian economic community into the global academic environment.

David Reiley has kindly agreed to serve as the keynote speaker of the event. David is a Research Scientist at **Google**, where he conducts field experiments in areas such as advertising. Prior to this post, David served as the Principal Research Scientist at Yahoo!Research, Professor of Economics at the University of Arizona and Visiting Scholar at the Kellogg School of Management. David's work has appeared in the leading academic journals such as *Econometrica*, *American Economic Review*, and *Journal of Political Economy*. David holds his PhD in Economics from MIT.

We now invite paper submissions for the 2013 meeting. Please submit completed papers in electronic format (PDF files only) to **vilniusmeeting@gmail.com**. Papers in all fields of economics, finance and business studies are welcome. The deadline for paper submission is **April 15, 2013**. The submitting authors will be notified by **April 30, 2013**.

The conference is also open to researchers who do not plan to present a paper, subject to space availability. We especially welcome Lithuanian economic community: postgraduate students, professors, independent experts, economic journalists and government officials. Those researchers should send an email indicating their interest by **June 1, 2013**.

The working language of the meeting is English. There is no conference fee. The participants are responsible for their travel and accommodation expenses.

Co-organizers: Rimvydas Baltaduonis (Gettysburg College), Marius Jurgilas (Norges Bank), Jūra Liaukonytė (Cornell University), Linas Tarasonis (Paris School of Economics), Robertas Zubrickas (University of Zurich), and Alminas Žaldokas (Hong Kong University of Science and Technology).

Local organizers: Aurelijus Dabušinskas (Bank of Lithuania) and Modestas Gelbūda (ISM).

More information can be found on the conference website: **<http://meeting2013.econ.lt/>**
